INFORMATION DISCLOSURE STATEMENT

Sir:

Entry and consideration of the enclosed Form 1449A - Information Disclosure Statement by Applicant is respectfully requested in accordance with 37 C.F.R. §1.97(c and e).

A copy of each document or other information listed on the enclosed Information Disclosure Statement, where appropriate, is provided in accordance with 37 C.F.R. §1.98(a)(2).

In accordance with 37 C.F.R. §1.97(e)(2), no item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the statement after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of the information disclosure statement.

This submission does not represent that a search has been made or that information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b), or that information cited is, or is considered to be "prior art" within the meaning of 35 U.S.C.

Application No.

§§ 102 and 103, or that information cited has been thoroughly reviewed or that any relevance of any portion of a reference is intended. Applicant reserves the right to establish that any information cited is not "prior art," and that the date of publication indicated for a cited item is in fact different than that which is indicated.

Pursuant to the provisions of M.P.E.P. 609, it is requested that the Examiner return a copy of the enclosed Information Disclosure Statement, marked as being considered and initialed by the Examiner, to the undersigned with the next official communication.

Respectfully submitted,

David Klein
